AJOU UNIVERSITY IN TASHKENT

Admission Guidelines for the 2022-2023 Academic year

AUT

Introduction of AUT

AUT was established in spring, 2021 to nurture highly qualified personnel in accordance with the prospects for socio-economic development of Uzbekistan by the agreement between the Ministry of Higher and Secondary Specialized Education, Republic of Uzbekistan, and Ajou University, the Republic of Korea, based on the Decree of the President of the Republic of Uzbekistan No. PP.4041, November 30th, 2018. AUT has 3 departments - Architecture, Civil Systems Engineering, and Computer & Electrical Engineering, and provides 4-year daytime undergraduate courses, which are taught exclusively in English. Ajou University is a leading research as well as engineering university in Korea and has been ranked 11th among 200 four-year Korean universities consecutively for 4 years from 2018 to 2021 by the Joong-Ang Daily Newspaper, the most prestigious university ranking organization in Korea. At the same time, Ajou University is also ranked 531st in the QS World University Ranking (Only a few universities are within QS World Ranking 1000 in Uzbekistan). Ajou University, established in 1973, under the motto of "Asia's Best University for the 21st century", is located in Suwon city, about 30 km south of Seoul, where the headquarter of 'Samsung Electronics' is only 4 km away. Ajou University has around 14,000 students (10,000 undergraduates, 4,000 graduates) in 11 colleges and 14 graduate schools. The strength in Ajou's academic programs and research lies in Engineering, IT, Medical Science, Business, and International Studies.

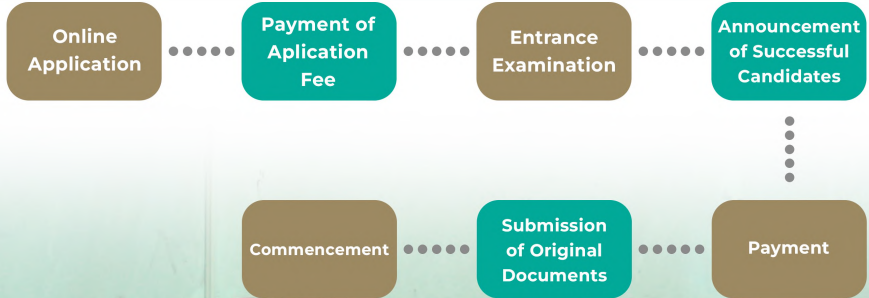

Ajou University offers various international programs to attract many international students around the world. Currently, Ajou has more than 320 partnership universities in 70 countries, invites approximately 1,200 international students every semester, and makes the campus truly global.

Why you should choose AUT

- 1 Korean International Diploma:**
Our graduates will be awarded an internationally recognized regular Korean bachelor's degree from the top 531 World Ranked Universities.
- 2 Acknowledged Education System:**
Transference of the excellent Education System of Ajou University in Korea. Easy access to enter the Ajou graduate school for master's and Ph.D. degrees. Opportunity for best students to transfer their undergraduate education to Ajou University in Korea.
- 3 Best Job Opportunities:**
International Education in key areas (Architecture, Civil Systems Engineering, and Electrical & Computer Engineering) is necessary for Uzbekistan's economic growth. Active cooperation with leading Uzbekistan state and private companies to provide graduates with the best job offers.

Application Procedure
