AJOU UNIVERSITY IN TASHKENT

# Expected Admission Guideline for the 2021-2022 Academic year

# AUT

These guidelines are for the applicants' reference. Applicants should follow final admission guideline which will be noticed later on AUT's website.

## Why AUT ?

### Introduction of AUT

AUT was established in spring, 2021 to nurture highly qualified personnel in accordance with the prospects for socio-economic development of Uzbekistan by the agreement between the Ministry of Higher and Secondary Specialized Education, Republic of Uzbekistan and Ajou University, Republic of Korea, based on the Decree of the President of the Republic of Uzbekistan No. PP.4041, November 30th, 2018. AUT opens 3 majors - architecture, civil systems engineering, and computer & electrical engineering, and provide 4 year daytime undergraduate courses, which are taught exclusively in English.

Ajou University is a leading research university in Korea and has been ranked 11th among 200 four-year Korean universities consecutively for 2 years from 2018 ~ 2019 by the Joong-ang Daily Newspaper, the most prestigious university ranking organization in Korea. At the same time, Ajou University is also ranked 552th in QS world university ranking. (Only a few universities are within QS world ranking 1000 in Uzbekistan)

Ajou University, established in 1973, under the motto of "Asia's Best University for the 21st century", is located in Suwon, about 30km south of Seoul, where the headquarter of 'Samsung Electronics' is only 4km away. Ajou has 14,000 students (10,000 undergraduates, 4,000 graduates) in 11 colleges and 14 graduate schools. The strength in Ajou's academic programs and research lies in Engineering, IT, Medical Science, Business and International Studies.

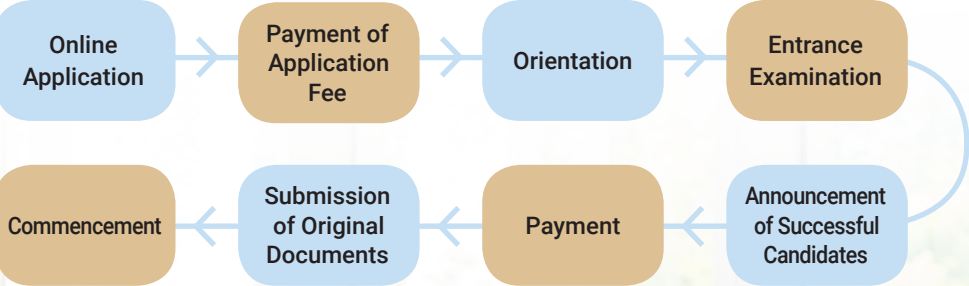

Ajou University offers various international programs to attract many international students around the world. Currently, Ajou has more than 320 partnership universities in 70 countries, and invite approximately 1,200 international students every semester, and makes the campus truly global.

### Three reasons why you should choose AUT

- 1 One Of The Best Education Systems:** Transference of the Excellent Education System of Ajou University in Korea. Also, easy to enter the Ajou graduate school for master and Ph.D degrees.
- 2 Best Government Subsidy:** Citizens of Uzbekistan will pay tuition at rates charged by other universities in the country, with the cost differential supported by government subsidy. All domestic students admitted during the 2021-2022 academic year will be eligible for government subsidy throughout their time at AUT, as long as they maintain good academic standing and their studies are not already supported by outside organizations. Government subsidy recipients commit to work 3 years for governmental organizations upon graduation.
- 3 Best Job Opportunities:** Education in these key areas are necessary for Uzbekistan's economic growth. Also, AUT is actively cooperating with companies like Artel which is a leader of the electronical companies in Central Asia.
